

AKASCAN – Cookie Policy

Version 1.0 — Last updated: November 14, 2025

This Cookie Policy explains how **AKASEC B.V.** (“we”, “us”, “our”) uses cookies and similar technologies on the **AKASCAN** platform (“Platform”).

We aim to use as few cookies as possible. AKASCAN primarily relies on **essential cookies** required for login and security.

1. What Are Cookies?

Cookies are small text files stored on your device when you visit a website. They help websites function correctly, enhance user experience, and provide anonymized analytics.

2. Types of Cookies We Use

We only use the following categories:

2.1. Essential Cookies (required)

These cookies are necessary for the Platform to operate.

Examples:

- Session cookie (keeps you logged in)
- CSRF/security tokens
- Load balancer/session affinity cookies

- Authentication state (NextAuth, JWT, or similar)

Without these cookies, AKASCAN cannot function.

These cookies do not require consent under GDPR.

2.2. Functional / Preference Cookies (optional)

Used to remember:

- Language settings
 - Interface preferences
-

2.3. Analytics Cookies (optional)

- These analytics are anonymized
 - No tracking profiles
 - No cross-site tracking
 - No advertising cookies
-

3. Third-Party Cookies

AKASCAN currently **does not use** third-party advertising cookies.

If the platform integrates a third-party service that sets cookies (e.g., payment provider, embedded widget), this policy will be updated.

4. Managing Cookie Preferences

You can manage or delete cookies directly from your browser settings:

- Chrome: `chrome://settings/cookies`
- Firefox: Preferences → Privacy & Security
- Safari: Preferences → Privacy
- Edge: Settings → Cookies and site permissions

If you block essential cookies, the Platform may not function.

5. Updates to This Policy

We may update this policy to reflect changes in cookie usage or legal requirements. Updates will be posted on this page.

6. Contact

For questions:

AKASEC B.V.

Wilhelmina van Pruisenweg 104
